D.O.Letter No.A1/421/2018/H.Edn

Dear Shri/Smt.....*D. Rajan Varughese,*

This has reference to the meeting held on 04.09.2019 in which all Institutions under Higher Education Department were directed to update their websites daily and also to publish the Malayalam version by 1st November 2019.

I find that your organization has successfully accomplished the assignment within the prescribed time limit. There has been a sincere effort on your part to publish the Malayalam version of the website and also to update the English version regularly. Needless to say that this step shall be a stepping stone towards streamlining service delivery and enabling transparent and efficient governance.

I take this opportunity to **congratulate** you and your team for your accomplishment. The co-operation and compliance of Government directions within the time limit are highly appreciated.

I hope that in the coming year, you will continue to update it regularly and make the website accessible to the disabled.

Best wishes,

Yours sincerely,

Usha Titus
