

## Attention -CMNPF

### Invitation - Chief Minister's Navakerala Postdoctoral Fellows Two Day National Conference cum Hands-on Methodological Training

You are invited to participate in a Two Day Cross-disciplinary National Conference of Experts and a hands-on Workshop under their guidance, in Knowledge Translation (KT), during 16-17 December, 2022, which has been scheduled to be held at the Cochin University, one of the premier institutions chosen for the establishment of KT Research Centre.

A dynamic process involving ideas, external relations, communication and collaboration with multiple agencies for joint actions; KT signifies a major transformation. The State Higher Education Council is straining at the leash to reorient the research sector as to be competent in transforming knowledge into uses, services, property and products.

The honourable Chief Minister will inaugurate the Programme on 16 December at 11 am. The Minister for Higher Education chairs and the Ministers for Finance, Health, Agriculture, Animal husbandry, and Industry to be Guests of honour on the dais. All the Vice Chancellors of the Universities chosen for the establishment of Knowledge Translation Centres will be present.

Prof. MS Valiathan is the patron of the Programme. Professor Samir Kumar Brahmachari (former DG of CSIR) and Salim Yusuf (Distinguished Professor, School of Medicine, McMaster University, Canada) will lead the Conference. Other key personnel of the Programme are of the Advisory Committee for Knowledge Translation across domains (the list attached). We solicit your active participation in the Conference and the Hands-on Workshop. You would be sorted into Groups for discussion in the Session for Mentoring Mentors.

You are invited to posture presentations too:

A posture Presentation of original Ideas/solutions on any of the following Questions:

1. How to build up the active Research Ecosystem in our Universities?
2. What do you think is essential to transform a research student into a genuine researcher?

How do we train young students to formulate a research question, choose methodology and write a research proposal?

All certified postures shall be allowed for display. The chosen postures shall be awarded prizes.
